Dear Mohinder:

Michael and I wanted to thank you for the so many pictures of our kitchen that you emailed to us.

I also wanted to take this opportunity to thank you so very much for the beautiful work that you did on our kitchen. We could not be more happier and you exceeded all of our expectations. Every time that we walk into our kitchen we cannot believe that it is our house.

We will surely recommend you to anyone who we know that will be doing kitchen renovations.

Yours very truly,
